# SoundWhere® MINIMALIST 75

6 Standard Wood Finishes

The SoundWhere® Minimalist 75 is the smallest cabinet in the line accommodating TVs up to 75-inches. The dimmable LED accent lighting elevates this beautiful cabinet into a work of art. The full-range 3.1 speaker system is concealed behind refined wood and painted finishes. The Minimalist provides pre-engineered cavities for a recessed articulating service mount and electronic equipment, complete with cable management, power, and ventilation.

Experience the simplicity of SoundWhere®, a fusion of form and function. Each unit integrates high-fidelity speakers *and a subwoofer*, ensuring superior sound. Designed with equipment storage and efficient ventilation as well as cable management all while enhancing your chosen aesthetic. These modular units are made to fit into any home, apartment, or condo so you can design your room around great sound you cannot see!
