SoundWhere® SYMPHONY 98

6 Standard Wood Finishes

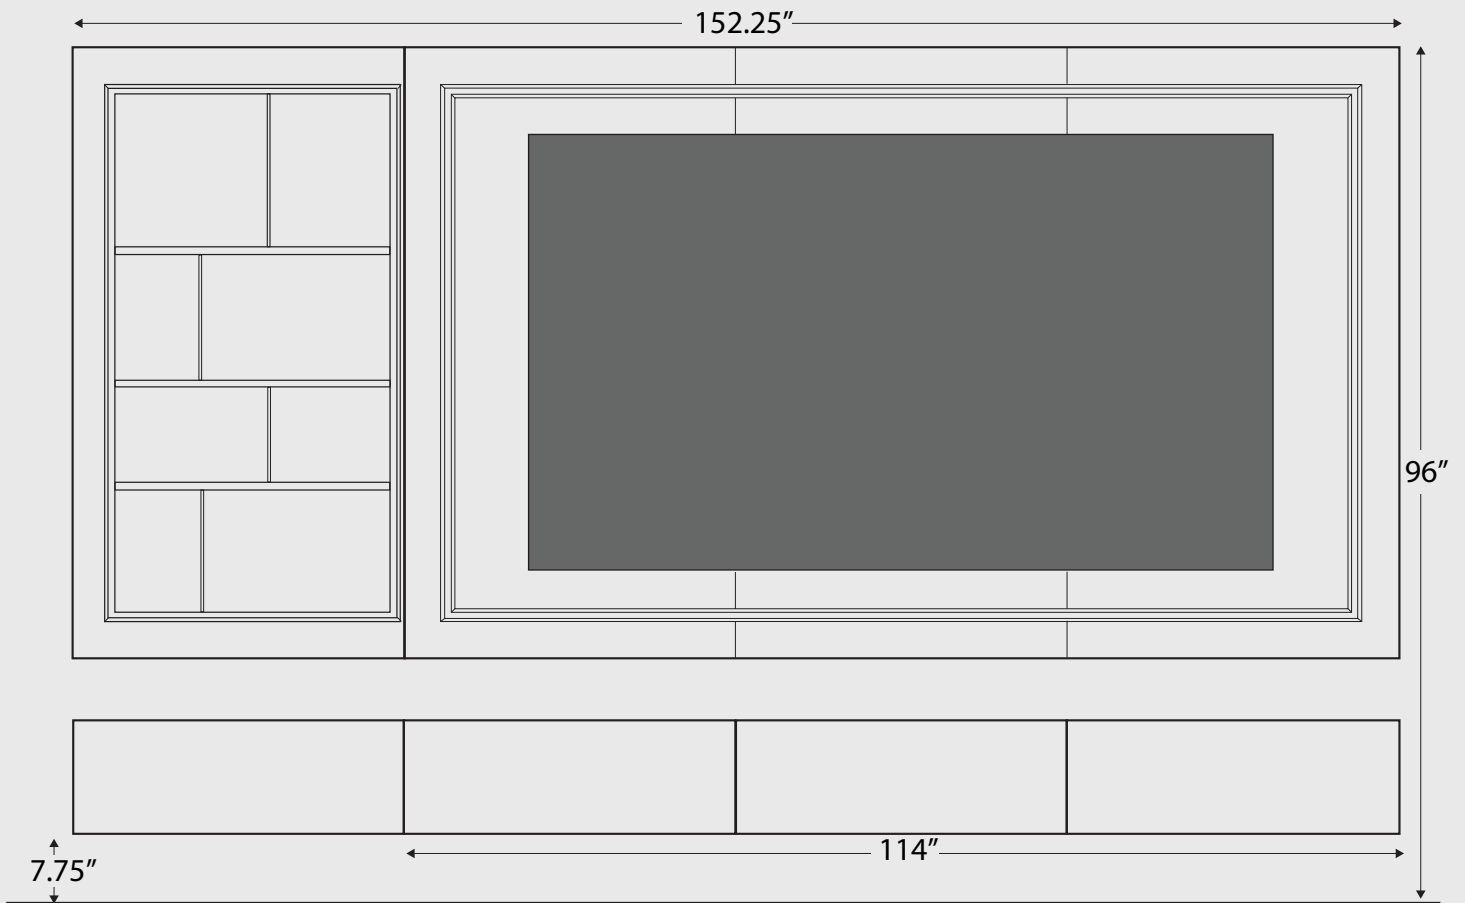

The SoundWhere® Symphony is our flagship media cabinet. This amazing example of modular furniture has a full range 3.1 speaker system and accommodates TVs up to 100 inches. It disguises pre-engineered spaces designed for power, ventilation, cable management, and a recessed articulating service mount behind its beautiful finishes. All you see is the elegant open shelving and beautiful storage unit (with an optional vapor fireplace!) accented with multiple zones of dimmable LED lighting.

Experience the simplicity of SoundWhere®, a fusion of form and function. Each unit integrates high-fidelity speakers *and* a subwoofer, ensuring superior sound. Designed with equipment storage and efficient ventilation as well as cable management all while enhancing your chosen aesthetic. These modular units are made to fit into any home, apartment, or condo so you can design your room around great sound you cannot see!
